

SPARK YOUR IMAGINATION SUMMER 2018 OFFERINGS

Our programs are dedicated to inspiring a love of learning and the belief that life is full of possibilities!
Programming runs from June 5 to August 17.

1 to 4 on the Second Floor

Play Dates

Tue. - Fri. // 1 - 4 pm // Drop-in // Ages 2 - 5 // Free with Admission

Learning through play supports the natural curiosity in both toddlers and preschoolers. Play Dates offers hands-on experiences to spark creativity, fuel imagination, and embrace a sense of wonder.

Family Maker Studio

Tue. - Fri. // 1 - 4 pm // Drop-in // Ages 5 and up // Free with Admission

The Maker Studio is a space where children and their families can make, tinker, and play. We encourage visitors

to use innovative thinking, imagination, and creativity with a variety of materials. Our education team is always on hand to help translate your ideas into one-of-a-kind creations, or to help you problem-solve your way through a STEAM (Science, Technology, Engineering, Art, and Math) challenge.

More To Do in 202

Tue. - Fri. // 1 - 4 pm // Drop-in // Family Style // Free with Admission

The whole family can explore this unique space that will change frequently. We will bring back favorite past exhibits and some new ways to play.

Pre-Registered Programming

Mini Makers

Tue. - Fri. // 10:45 - 11:30 am // Adult and Child // Ages 2 - 5 // Limit 5 // \$5 per session

In this hands-on class, participants will make their own take home play-kit. Each week will feature a different activity such as play-dough, finger paint, music, or fizzy bubbles. Each class will also offer time to explore different ways the kit can be played with at home. See website calendar for each week's project.

Make-n-Take

Tue. - Fri. // 10:30 am - noon // Drop-off // Ages 5 - 12 // Limit 10 // \$5 per session

Join us as we explore 'making' across a variety of topics in the arts and sciences. Children will learn new techniques from an experienced facilitator and will take home their project as a memento. Activity repeated daily each week. See website calendar for each week's project.

Mystery Dinner Theater: Guess Who?

Thur., June 14 // 5:15 - 7:30 pm // Drop-off // Ages 8 - 12 // Limit 20 // \$25, including dinner

Unleash your inner detective as a mystery unfolds in the museum. The evening starts with dinner and moves on to the mystery. Six look-alikes have been accused of the same crime, but which one is responsible? Question suspects, analyze forensics, and put your sleuthing to the test!

Become a museum member and save 20% on programming

STEAM Camp

Mon. - Fri. // 8 am - 5 pm // Drop off // Ages 5-12 // Limit 15 // \$225 (Bring your own lunch) // Duplicate sessions take place June 18 - 22 and July 23 - 27

There's so much to explore with STEAM (Science, Technology, Engineering, Art, and Math)! Every day holds a new adventure. You might be a special agent

saving the city from toxic popcorn or a scientist designing a robot that doodles. You'll also be part of a team working its way through STEAM challenges in both our museum exhibits and the Maker Studio. Have an artistic side? Maybe you'll become a potter and explore spinning clay on our wheels or a designer creating a one-of-a-kind image with silkscreen printing.

Space is limited. Register for programming via our online calendar at
