

GRATITUDE DICE

- 1) In each box, write a prompt that encourages your friends and family to share what they're grateful for. Possible prompts could include naming a person, place, food, thing, or memory you are grateful for.
- 2) Cut along the lines of the box template including the tabs outlined in gray.
- 3) Turn the paper over so the printed side is face down. Fold each square and tab inward, pressing down to create strong creases.
- 4) Fold the paper to form a cube, using glue or tape to attach tabs under the square sides.
