

May Day baskets

- 1 Cut along the solid gray lines of the box template.
- 2 Turn the paper over so the printed side is face down. Fold where there is a dashed gray line, pressing down to create strong creases.
- 3 Fold the paper to form your basket, using glue or tape to secure tabs in their place.
- 4 Curved handles slide between the slots on large triangle shaped tab.
- 5 Fill your basket with a special gift and give to someone for May Day.
